

## iOS INSTRUCTIONS

Open the following link on your Apple device:

[livehappy.com/signupform](https://livehappy.com/signupform)

To install please follow the steps below:

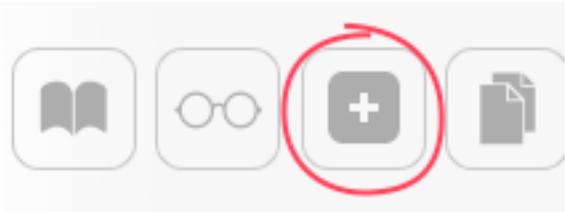

When the form has loaded in Safari tap the ‘Share’ button in the toolbar.

---

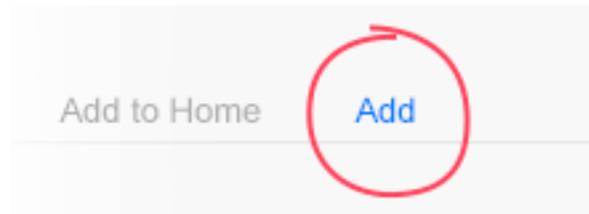

Choose the “Add to Home Screen” option.

---

Type in a name for your form and then tap “Add”.

---

Now just tap the icon on the Home Screen and you’re ready to go!

---

Have each wall guest fill in their email address and the current city of where you are located so we can give your location credit for the BBBS donation.

**Please read!**

If you have collected data while offline you will need to re-open the form when you are connected to the internet for your data to sync. Please be careful, if you clear your cache before doing this then you will lose your data.

## ANDROID INSTRUCTIONS
